"We Walk"

You never alter
You're always you
Everything's breaking
But I don't care

Smash the rest up
Burn it down
Put us in the corner
'Cause we're into ideas

Take these edges
They're inside out
No one will notice
They're looking elsewhere

We can't be honest
We call it off
We got the choice
If it all goes wrong

We walk, we walk
We walk, we walk

You see the changes
In things that come
It's how you deal with it
When switching off

Make a decision
A precondition
We got the choice
If it all goes wrong

We walk, we walk
We walk, we walk

When nothing makes you feel good
Then nothing makes you feel good
When nothing makes you feel good
Then nothing makes you feel good

When nothing makes you feel good

Then nothing makes you feel good
When nothing makes you feel good
Then nothing makes you feel good

We got the choice if it all goes wrong
We walk, we walk
If it all goes wrong
We walk, we walk
If it all goes wrong

We walk
Nothing makes you feel good
Nothing makes you feel good
We walk

When it all goes wrong
We walk
Nothing makes you feel good
Nothing makes you feel good
We walk

Makes me feel good
Nothing makes me feel good
If it all goes wrong
