The way that we are  
The way that we are

Were never the same  
Were never the same

Were ready to go  
Ready to go

Its always the spark  
And were running wild

This is not the same old song  
It's not the same old life  
And we are not the first but we were making its out

Yeah were not the same, Oh  
Were not the same

Its always the spark  
And were running wild

Oh were not the same

Boom

The way that we are

The way that we are

We maybe  
We conditioned

We are never the same  
Never the same

But it's not just a time diference

We are ready to go and  
Ready to go

And I just need to set the tone

Yeah, were not the same  
Oh, were not the same No

Its always the spark  
And were running wild

Oh, were not the same  
Were not the same Oh [x4]  
Were not the same
