It used to be the things you'd do  
The hand I held the heart you moved  
And I moved your heart too  
And now I miss the way you'd laugh  
Do anything to get it back  
I know you miss that too

It used to be the things you'd do  
The hand I held the heart you moved  
And I moved your heart too  
And now I miss the way you'd laugh  
Do anything to get it back  
I know you miss that too

If you said what you felt  
We wouldn't be here right now  
And if you meant what you said  
This would have never of run out  
See, I'm trying to say  
It didn't have to be this way  
If you meant what you said that you felt  
You'd be here right now

It used to be so hard to breathe  
Whenever you were next to me  
Could I do that to you?  
And now I'm feeling quite the same  
And so are you, and I'm to blame  
I set my heart on you

If you said what you felt  
We wouldn't be here right now  
And if you meant what you said  
This would have never of run out  
See, I'm trying to say  
It didn't have to be this way  
If you meant what you said that you felt  
You'd be here right now

Ohhhhhh  
Ohhhhhh  
Ohhhhhh

Ohhhhhh

If you said what you felt  
We wouldn't be here right now  
And if you meant what you said  
This would have never of run out  
See, I'm trying to say  
It didn't have to be this way  
If you meant what you said that you felt  
You'd be here right now

If you said what you felt  
We wouldn't be here right now  
And if you meant what you said  
This would have never of run out  
See, I'm trying to say  
It didn't have to be this way  
If you meant what you said that you felt  
You'd be here right now
