KJ:

I'll buy your wood and coal, buy your wood and coal  
Buy your wood and coal, if I can do something to you  
Hear me saying, I want to do something to you

MM:

I don't want no wood and coal, I don't want no wood  
and coal  
I don't want nothing in the world you got and you can't  
do nothing for me  
Hear me saying, you can't do nothing for me

KJ:

Buy your shoes and clothes, buy your shoes and  
clothes  
Buy your shoes and clothes, if I can do something to  
you  
Hear me saying, I want to do something to you

MM:

I don't want no shoes and clothes, I don't want no  
shoes and clothes  
I don't want nothing in the world you got, and can't do  
nothing for me  
Hear me saying, you can't do nothing for me

KJ:

I'll buy you a Chevrolet, I'll buy you a Chevrolet  
Buy you a Chevrolet, if I can do something to you  
Hear me saying, I want to do something to you

MM:

I don't want no Chevrolet, I don't want no Chevrolet  
I don't want nothing in the world you got, and you can't  
do nothing for me  
Hear me saying, you can't do nothing for me

KJ:

Buy you a baby calf, buy you a baby calf  
Buy you a baby calf if I can do something to you  
Hear me saying, if I can do something to you

MM:

I don't want no baby calf, I don't want no baby calf  
I don't want nothing in the world you got, and you can't  
do nothing for me  
Hear me saying, you can't do nothing for me

KJ:

Can I do something to you, can I do something to you?  
Do anything in this world I can, if I can do something to  
you  
Hear me saying, if I can do something to you

MM:

Naw, you can't do nothing to me, naw, you can't do  
nothing to me  
I don't care what in the world you do, you can't do  
nothing to me  
Hear me saying, you can't do something to me

KJ:

Buy you a sedan Ford, buy you a sedan Ford  
Buy you a sedan Ford, if I can do something to you  
Hear me saying, if I can do something to you

MM:

I will take a sedan Ford, yes, I will take a sedan Ford  
I don't want nothing in the world you got but I will take a  
sedan Ford  
Hear me saying, I'll take a sedan Ford
