I have been a good girl, going to church all of my days
I have been a good girl, going to church all of my days
But I'm going to learn to gamble so I can stay out late

Crying dice, oh dice, please don't fail on me
Crying dice, oh dice, please don't fail on me
If you don't seven/eleven, don't you crap and three

Hmmmm, hmmmmm, hmmmmm
Hmmmm, hmmmmm, hmmmmm
Hmmmm, hmmmmm

When your home get unhappy, just as well to pack up
and move
When your home get unhappy, just as well to pack up
and move
Ain't no use trying to live in confusement, just like you
was a fool

Oh Lord, oh Lord, Lord, what shall I do?
Oh Lord, oh Lord, Lord, what shall I do?
I done did everything, baby, to get along with you

Hmmmm, hmmmmm, hmmmmm
Hmmmm, hmmmmm, hmmmmm
Hmmmm, hmmmmm
