(Peter Chatman a.k.a. Memphis Slim)

My name is Memphis Slim, they call me the Grinder  
Man

My name is Memphis Slim, they call me the Grinder  
Man

If you be my customer, I'll let you have it on a easy  
plan

I do my ramblin' at midnight, and I don't be seen in the  
day

I do my ramblin' at midnight, I don't be seen in the day  
While everything is quiet and easy, Mr. Grinder can  
have  
his way

I got so many customers, it takes me a week to get  
around

I got so many customers, it takes me a week to get  
around

But you need not be uneasy baby, Mr. Grinder won't let  
you down

If you wanna see me baby, you better see me while you  
can

You wanna see me baby, you had better see me while  
you

can

Because I'm a very busy fella, you know they call me  
the

Grinder Man
