Train's at the station, don't you know
Who all goin'? Let me hear you blow
Hey, hey
Hey, hey
Everybody going
Yes, I'm going, don't you know

Everybody's got their ticket, where is mine?
Look like to me I'm gonna be left behind
Hey, hey
Hey, hey
Everybody going
Yes, I'm going, don't you know

(spoken: Now, play it for me this time)

Now, go home and pack up everything you got
Please don't bring that old run down clock
Hey, hey
Hey, hey
Everybody going
Yes, I'm going, don't you know

Now don't keep me waiting on the corner so long
Train's at the station and she soon be gone
Hey, hey
Hey, hey
Everybody going
Yes, I'm going, don't you know

(spoken: Now, swing you cats)

You done fooled around here and made me miss that
train
Now I got to catch me an aeroplane
Hey, hey
Hey, hey
Everybody going
Yes, I'm going, don't you know

Well, everybody going, baby, and I wants to go, too

Don't you hear me talking that sweet talk to you
Hey, hey
Hey, hey
Everybody going
Yes, I'm going, don't you know
