Sail on, sail on, ahw baby, sail on  
Sail on, sail on, ahw baby, sail on  
I don't mind you sailing, but please don't sail so long

Oh boys, now don't you want to ride with me  
Oh boys, now don't you want to ride with me  
I've got the best sailor in this world you ever seen

Going away, going away but I ain't gonna stay  
Going away, going away but I ain't gonna stay  
'Cause that sailor you got, I sees it each and every day

Sail on, sail on, ahw baby, sail on  
Sail on, sai l on, ahw baby, sail on  
You gonna keep a-sailing, till you find your mama gone
