CHORUS

Furry Murray got a Yule Brenner haircut
Big head like a two by four
Furry Murray got a Yule Brenner haircut
Now Murray ain't furry no more

Murray was as furry as a dirty bear
Until the barber cut off his hair
Shaved his head, ? as a wink
Now the flies all use it for a roller rink

(Chorus)

Murray now hurries when he goes to school
Don't wanna grow up boy headed fool
Teacher said he's doing fine
He's got a head like Professor Einstein

(Chorus)

Murray don't scurry at the high school hop
He's really smooth as a brand new mop
All the girls think he's cute
His boy head looks like a ripe grapefruit

(Chorus)

Murray ain't furry no more...
