Sit yourself down  
And think of what you'd like to do today  
Then take a look around  
And if the sky kind of looks a little gray  
Just take a hook on a dream  
Put your Keds on,  
Start runnin'  
Your smile won't stop comin'  
When you

Take a mind excursion  
It's just a slight diversion  
You might come out a winner  
In a bullfight in Spain  
Paint your face like an injun  
And dance for some rain  
Get on your magic carpet  
'Cause nothing can stop it

Open up your eyes  
Excitement would like to be your friend  
Try him on for size  
He may lead you to the rainbow's end  
You've got your ticket to glide  
And while the sun's getting brighter  
Our head's getting lighter  
When you

Take a mind excursion  
It's just a slight diversion  
You may drive out your window  
In your own private car  
Watch the whole world go rollin'  
Atop of a star  
Get on your magic carpet  
'Cause nothing can stop it

Take a mind excursion  
It's just a slight diversion  
(You can)  
Take a mind excursion  
It's just a slight diversion

(You can)  
Take a mind excursion  
It's just a slight diversion  
(You can)  
Take a mind excursion  
It's just a slight diversion
