So have have you heard the news today?
If not,I've got somthing to say;
Hot damn this city blows me away.
Its like everything I dreamed,
I thought I'd hate it as it seemed,
So I think I'll go ahead and stay.
I'm glad I found this place;
Theres more room and Space,
It can never be replaced.

I'm never ever bored,I'm even packed and stored,
Theres plenty to afford.Oh,like my honda accord.
So I dont believe,that I could even leave.
Theres still more air to breathe,and many people to
meet.

This is the best place ever.
(So why dont you come hang out with me?)
I just wanna live here forever.
(We can just blow away the time.)
It will all be wonderful memories.
(I never knew it was that fun.)
And its all because of the Cities.

Sometimes I hang with the croud,
Because its social and loud,
And thats how I enjoy it.
I just love the atmosphere,
Because theres so much to do here,
I slide in and no one throws fits.
So whats there not to enjoy?
As well as somthing to aviod?
Thats just how great the city is...

I'm never ever bored,I'm even packed and stored,
Theres plenty to afford.Oh,like my honda accord.
So I dont believe,that I could even leave.
Theres still more air to breathe,and many people to
meet.

This is the best place ever.
