You gotta make a deal though you'll be a heel  
Go away the highway to downtown  
And get mixed with a crowd  
Shouting anger without voice  
You gotta make up your face and past  
Nobody can find your truth  
Ah you are the beat traitor  
Ruler's frightened at power of freedom

Born as a beat traitor  
If you close your eyes  
The impurity of the blue sky  
The day you were born  
Fills your heart

Listen to the news moisten at your tears  
Hundred million miseries exist

Who's gonna erase the future  
Destiny gives us the final lecture  
Born as a fighter of music  
Born as a believer of love & peace  
Ah you are the beat traitor  
Ruler's frightened at time of comeback

Meotojireba  
Umaretahi no aoi sora ga  
Yogorenaki mune ni michiru

Communication avoids destruction  
Creation breaks isolation  
Ah you are the beat traitor  
Ruler's frightened at joy of dreaming

Meotojireba  
Umaretahi no aoi sora ga  
Yogorenaki mune ni michiru

Namida kobosutame bokura  
Ikiteirun naidaro  
Yume miru nara meo akeyou
