Naze furui kabe ni rakuen wo egaku
Mada eien yori tooi yume wo mite
Kokoro wa doko ka ni nemuraseta mama no
Makekushite wa ikenai tsubasa wo sagashiteru

Naze jibun dake ga kizutsuku to nageku
Tada hito wa dare mo fuzoroi na kakeba
Mirai wa kimatta bashou bakari janai
Hikari ga sasu michi ga aru kara

Blaze Away ima Blaze Away sugu
Blaze Away tobira no mukou he
Saa, toki wa umarekawaru
Blaze Away ima Blaze Away ima
Blaze Away hibiki au kodou
Kagi wa tokareteru sono te ni ima

Kaze ga shimesu kono saki no doko ka
Motto tsukami toreru nani ka
Kobamu mono wo osorecha ike nai
Kurushimi no ato ni mezameyou

Blaze Away ima Blaze Away sugu
Blaze Away tobira no mukou he
Saa, toki wa umarekawaru
Blaze Away ima Blaze Away ima
Blaze Away dekirukoto ga aru
Tatoe hito tsushika nakute mo

Blaze Away kakeru kete yukou
Kagi wa tokareteru sono te ni ima
