Aju moligado narul taraon bichul baso
Gin yoheng-ul hamke gorojun
Goyohan gongjon soge sumanun byol jung
Baro igose jamshirado hamkeyosuni
Gugonmanurodo gijok gata suchoborilsudo inunde
Isesang-e odirado nae gyote norul nukyo
Sumshinun han, dan hanbondo honjain jok opsoji
Nal seropge salge hejun no opshi

Arumdaun gotturi modu sarajigi jone
Otokedun dashi bogo shipo
Barami narul ikunungot odinji alsun opjiman
Gu gire kuto nega igil giokchorom onjoni
Sumshinun han, dan hanbondo nol tona bonjok opso
Yongwon soge salge hedun no opshi...

Ne salmiran uju soge tugoun teyang-i inungoramyon
Kutopshi moliso memdorado
Gu ongimanuro yongwoni salgeji
Odirado isesang-e nae gyote norul nukyeo
Sumshinun han, dan hanbondo honjain jok opji
Nal seropge salge heso
Gu gire kuto nega igil giokchorom eonjoni
Sumshinun han, dan hanbondo nol tona bonjok opso
Yongwon soge ganjikedun neo opshi

Neo opsie...
