I don't give a fuck if they wanna suck
Cause there's nothing left to crack
Connect the dots disconnect the lines
Let's shine like scorpio in the sky

Kiseki no relexion
Chiheisen ni kieru made

Barabara ni kowareta garasu mitai ni kagayaite
Yoruo kazarou like shining stars yume no kakerachiri
bamete

Let's leave it all behind
So fuck that deadline
Let go!

Beautiful green orange sunshine
Or do I wanna shine like g-fucking xxx
A to d to d to a
Try to find the way to the milky way

Kage to hikari ga koroshiatte
Asagakuru sono toki made

Barabara ni kowareta garasu mitai ni kagayaite
Yoruo kazarou like shining stars yume no kakerachiri
bamete

Eien no yume mite tobidatsu toki
Hoshi ga nagareru sazoriza no sora no mukouni

Barabara ni kowareta garasu mitai ni kagayaite
Yoruo kazarou like shining stars yume no kakerachiri
bamete

Let the world break me down as if I care
I've got nothing to lose
Like shattered glass flying to pieces
I'm already torn
But there's a way to shine if there's a will

Woke up and hated life

Wanna feel it what it's like
