Ooh-ooh...
Ooh-ooh-ooh-ooh...

Oh, don't it hurt deep inside
To see someone do something to her
Oh, don't it pain to see someone cry
Oh, especially when someone is her

Silence is golden
But my eyes still see
Silence is golden, golden
But my eyes still see

Talking is cheap, people follow like sheep
Even though there is nowhere to go
How could she tell he deceived her so well
Pity, she'll be the last one to know

Silence is golden
But my eyes still see
Silence is golden, golden
But my eyes still see

How many times did she fall for his line
Should I tell her, or should I keep cool
And if I tried, I know she'll say I lied
Mind your business, don't hurt her, you fool

Silence is golden
But my eyes still see
Silence is golden, golden
But my eyes still see

But my eyes still see...
But my eyes still see...
