Well, they're dancin' on the ceiling
They're dancin' on the floor
Come on, baby, we're comin' through the door
They know it's a party goin' on
Gonna dance and romance all night long

I know it's cold outside
Come on in, I'll keep you satisfied
All you gotta do is groove (Oh, yeah)
Every time you feel the groove

It ain't nothing but a party
(It ain't nothing but a party)
It ain't nothing but a houseparty
(It ain't nothing but a houseparty)
It ain't nothing but a party
(It ain't nothing but a party)
It ain't nothing but a houseparty
(It ain't nothing but a houseparty)
Wooooo!

Come on in, I'll sing you a song
I know you're gonna lose control
You can do it, the boogaloo
Anything that you wanna do

I know it's cold outside
Come on in, I'll keep you satisfied
All you gotta do is groove (Oh, yeah)
Every time you feel the groove

It ain't nothing but a party
(It ain't nothing but a party)
It ain't nothing but a houseparty
(It ain't nothing but a houseparty)
It ain't nothing but a party
(It ain't nothing but a party)
It ain't nothing but a houseparty
(It ain't nothing but a houseparty)
Wooooo!

Shake it from nose to your toes
'Cause that's the way the dance goes
Shake it fast, and shake it slow
Shake it till you can't, no more

I know it's cold outside
Come on in, I'll keep you satisfied
All you gotta do is groove (Oh, yeah)
Every time you feel the groove

It ain't nothing but a party
(It ain't nothing but a party)
It ain't nothing but a houseparty
(It ain't nothing but a houseparty)
It ain't nothing but a party
(It ain't nothing but a party)
It ain't nothing but a houseparty
(It ain't nothing but a houseparty)
Wooooo!

It ain't nothing but a party
It ain't nothing but a party
It ain't nothing but a party
It ain't nothing but a party
Wooooo!
