You tell me  
You would like to be  
Always happy  
As I seem to be

You feel bad  
I'm feeling good  
There's a reason  
This is what to do

Fa la la, la la, la le  
Come and sing along with me  
There's nothing wrong if you can't sing along  
To the tune of the simple melody

Fa la la, la la, la le  
Take your time, and you will see  
That you will smile in a while if you sing  
To the tune of the simple melody

Don't you cry  
I'll tell you why  
You'll get by  
If you'd only try

Look at me  
Happy as can be  
You can be  
If you sing with me

Fa la la, la la, la le  
Come and sing along with me  
There's nothing wrong if you can't sing along  
To the tune of the simple melody

Fa la la, la la, la le  
Take your time, and you will see  
That you will smile in a while if you sing  
To the tune of the simple melody

La la la, la la, la le

Fa la la, la la, la le  
Fa la la la, la la la, la la la, la la la, la la  
La la, la la le

Fa la la, la la, la le  
Fa la la, la la, la le  
Fa la la la, la la la, la la la, la la la, la la  
La la, la la le

(Repeat and fade)
