"Girl From Nowhere"

She's the girl from nowhere land
Yes, she took me by the hand
Fortified me when she said to me
I'm the girl from nowhere land
Looking for a nowhere man

Was it me you really chose?
There is something you should know
I'm a plain and simple type of bloke
Was it me you really chose
Take a look at all of those

Say what you like, I don't mind
You can do a lot for me
I can fall so easily

Would you be so very kind
Do a favour for my mind
So confusing, have to clear my mind
Would you be so really kind
Ba-ba-pa-pa, pa-pa-pa
Ba-ba-pa-pa, pa-pa-pa
