Hello, buddy, I can see how you've been
You had all the love that passed me by
Hello, buddy, won't you bring me on in
Cut me all to piece and get by

Hello, buddy, it's a shame and a sin
Making all your money on your own
Hello, buddy, don't you know you're a friend
Standing on the doorsteps all alone

Hello, buddy, just let me try to tell you why - why!
Hello, buddy, I didn't think you'd turn a blind - eye!

Hello, buddy, well, my woman is gone
Left me, gone away without a words
Hello, buddy, don't you think it was wrong
Tell me, it's the worst thing that you've heard

Hello, buddy, just let me try to tell you why - why!
Hello, buddy, I didn't think you'd turn a blind - eye!

Hello, buddy, just let me try to tell you why - why!
Hello, buddy, I didn't think you'd turn a blind - eye!

Hello, buddy, I can see how you've been
You had all the love that passed me by
Hello, buddy, won't you bring me on in
Cut me all to piece and get by

Hello, buddy
Hello, buddy
