I remember till before we met
Every night and day
I had to live the life of a lonely one (Lonely one)

I remember meeting you
Discovering love could be so true
Shared by two 'stead of only one (Only one)

When you said you loved me
(When you said you loved me)
And we could not be parted
(We could not be parted)
And I build my world around you
(Build my world around you)
And I'm so thankful that I found you, because

Loving you has made my life sweeter than ever
Well, I never felt like this before
Loving you made my life sweeter than ever

Each night I see we'll never part
'Cause the love within my heart
Grows stronger, but baby (Baby)

As best I can, how I try
To reassure and satisfy
'Cause I'd be lost if you went away (Went away)

'Cause I really need you
(Really, really need you)
And I need for you to need me, too
(Need for you to need me, too)
And I build my world around you
(Build my world around you)
And I'm so thankful that I found you, because

Loving you has made my life sweeter than ever
Yes, it has
Loving you made my life sweeter than ever

'Cause I really love you

(Really, really love you)
And I'm thankful that you love me, too
(Thankful that you love me, too)
And I build my world around you
(Build my world around you)
And I'm truly glad I found you, because

Loving you made my life sweeter than ever
Loving you made my life so much sweeter than ever

Loving you.
