Oh, I know, I'm falling in love  
And you know, I'm falling in love  
And we know, we're falling in love tonight

Oh, I know, my lovin' is true  
For you know what lovin' can do  
And we know our lovin' will be alright

People will say that our lovin' won't last, but  
How do they know  
When I know that you can be sure of a love that's true

Ooh, I know, I'm falling in love  
And you know, I'm falling in love  
And we know, we're falling in love tonight

People will say that our lovin' won't last, but  
How do they know  
When I know that you can be sure of a love that's true

Ooh, I know, I'm falling in love  
And you know, I'm falling in love  
And we know, we're falling in love tonight

Ooh, I know, my lovin' is true  
For you know what lovin' can do  
And we know our lovin' will be alright
