Hell, your grip is solid on me
I'm delicate you know
I'm delicate I'm told
Why can't you be careful with me?

You never let me go
And I just can't say no

Cause you are what I was missing
What, what can I do now?
I'm taken by you now

You're sizing me up
You're making me blush
I'm not pretty enough
I'm drunk as fuck

You're sizing me up
You're making me blush
I'm not pretty enough
I'm drunk as fuck

I'm yours
Hook and sinker
You know you win this round
She is down
You're the winner this time
Aren't you happy you got that girl?

I'm yours
Song and singer
You know you won this round
She is down
You're the winner tonight
Aren't you happy you got that girl?

Why can't you be (She is down)
Careful with me? (You're the winner this time)
You never let me go (Aren't you happy
And I just can't say no (you got that girl?)
Cause you are what I was missing (She is down, You're
the winner this time)

What, what can I do now? (Aren't you happy you got
that girl? Get that girl)
