i'm travelling through confusion
on a hectic highway ride
i'm breaking down illusion
i am seeing things
for the first time
there's nowhere left to hide
heartbreak termination
and sorrow's sunset clause
have spared my expectations
so i'm burning down the open road
i feel like getting lost
burning wheels ride
off in the sunset
burning wheels ride
off in the sunset
it's so wild baby
it's so reckless too
i am mad about it,
wanna spend my life on you
mutating days of blunder
under vexatious skies
makes me stop and wonder
where i'm running to and why
i feel so all alone, let's ride

burning wheels ride
off in the sunset
burning wheels ride
off in the sunset
it's so wild baby
it's so reckless too
i am mad about it,
wanna spend my life on you
only the desperate hearted
see horizons for skylines
i am faithfully departing,
i am not afraid to die
don't want my life to pass me by
burning wheels ride
off in the sunset
burning wheels ride
off in the sunset

it's so wild baby,
it's so reckless too
i am mad about it,
wanna spend my life on you
