I can fly  
I can fall  
In my heart  
I have it all  
You know me

I need some time  
To sort my head  
Find a light roads ahead

A dreaming man is what I've been since I don't  
remember when

Walls come down  
I come in  
Fortune fades  
Faith begins

A dreaming man is what I've been since I don't  
remember when

A dreaming man is what I've been since I don't  
remember when

You should know I don't know  
Why I never said so

Here she comes  
Down again  
Armed with woe  
To share with him  
I can hear  
Walls are thin  
Fortune fades  
Faith begins

Here she comes  
Down again  
Armed with woe  
To share with him  
I can hear  
Walls are thin

Fortune fades  
Faith begins

A dreaming man is what I've been since I don't  
remember when  
A dreaming man is what I've been since I don't  
remember when  
Though I don't understand a dreaming man is all I am
