It was a hot day  
The sun was shining down on the sea  
It was a hot day  
Was thinkin' 'bout my baby and me

Then I got so excited  
That I could hardly hide it  
When I watched my baby  
Cross the sands  
And lay down by me

It was a hot day  
Nothing but the blue skies above  
It was a hot day  
Think that I was fallin' in love

Then I got so excited  
That I could hardly hide it  
When I watched my baby  
Cross the sands  
And lay down by me

Warm days  
And summer nights  
With my girl  
Makes me feel just right

Warm sand  
The sun and the sea  
Who cares  
As long as there's baby and me

It was a hot day  
Lazing on the beach in the sun  
It was a hot day  
Nothin' but the sunshine above

Then I got so excited  
That I could hardly hide it  
When I watched my baby  
Cross the sands

And lay down by me
