Hot stuff, can't get enough
Hot stuff, yeah, hot stuff
Hot stuff, can't get enough

Everything is mighty, mighty fine
Hot stuff, hot stuff, can't get enough
Hot stuff, can't get enough
Hot stuff, can't get enough

The music is mighty, mighty fine
Hot stuff, hot stuff, can't get enough
I can't get enough

'Cause music is what I want
To keep my body always movin'
Yeah, shake it ut, hot stuff, shake it up

Every day I get another dose
I know your all going broke
But I know you're tough
Yeah you're hot stuff, hot stuff

To everybody in Jamaica
That's working in the sun
You're hot, you're hot stuff

Shake it up, shake it up
You're hot stuff, hot stuff
Play it rough, hot stuff
