If you wanna start again  
You're gonna need to find the strength within  
Know your real friends, let the right ones in  
Forgive yourself to forget

If you wanna start again  
Tired of the ghostly shapes you're seeing  
The hard life you're living  
The self destruction  
You've gotta find a way to let love in

Lost in the night  
Running afraid  
Looking for life at the end of the day

Woo hoo woo hoo ooo  
Woo hoo hoo

If you wanna start again  
You can talk to me in confidence  
Everybody needs help when they're going through hell  
And baby I can see you're not doing well

Losing the light  
Feeling the fade  
Praying to find your way back from the grave

Woo hoo woo hoo ooo  
Woo hoo hoo ooo

Soon your heart will find everything you need  
Soon your heart will find the space you need to breathe  
Soon your heart will find where you've got to be  
Soon your heart will find a way to set you free

Lost in the night  
Running afraid  
Looking for life at the end of the day

Losing the light  
Feeling the fade

Praying to find your way back from the grave

Woo hoo woo hoo ooo  
Woo hoo hoo ooo  
Woo hoo woo hoo ooo  
Woo hoo hoo ooo  
Woo hoo woo hoo ooo  
Woo hoo hoo ooo  
Woo hoo woo hoo ooo  
Woo hoo hoo ooo  
Woo hoo woo hoo ooo  
Woo hoo hoo ooo  
Woo hoo woo hoo ooo  
Woo hoo hoo ooo  
Woo hoo woo hoo ooo  
Woo hoo hoo ooo  
Woo hoo woo hoo ooo  
Woo hoo hoo ooo
