I feel it in my fingers, I feel it in my toes.  
Well love is all around me, and so the feeling grows.  
It's written on the wind, it's everywhere I go.  
So if you really love me, come on and let it show.

You know I love you, I always will.  
My mind's made up by the way that I feel,  
There's no beginning, there'll be no end  
Cause on my love you can depend.

I see your face before me as I lay on my bed  
I kinda get to thinking, of all the things you said.  
You gave your promise to me, and I gave mine to you.  
I need someone beside me in everything I do.

You know I love you.....(etc)

It's written on the wind.....(etc)

Come on and let it show  
Come on and let it show  
Come on and let it show
