Tomorrow's always far away
when you are stuck in yesterday
and this old town keeps you locked up and lost inside it
draws the lines upon you face
it makes you old before your day though its rainin
Don't stay in
no escaping
we are dancin

My heart is not the type to sway
its good for any other day
so if you say that you will stay and you'll be mine oh i'll
make everything ok
I'll push the hurt of world away though its rainin
Don't stay in
no escaping
we are dancin

I'm right on time
I'm makin sunshine
I'm makin sunshine
I'm right on time
I'm makin sunshine
I'm makin sunshine

There was a time i was afraid
I let my strength or spirit fade
but now's the time to stand aware and take whats mine
the lessons from my dues are paid

I'm right on time
I'm makin sunshine
I'm makin sunshine
I'm right on time
I'm makin sunshine
I'm makin sunshine
I'm right on time
I'm makin sunshine
I'm makin sunshine
Sunshine
Sunshine
Sunshine

Sunshine
