When I was not so mm
You were that wanna so mm
Oh marbles and some gum
If with all could fine mm, mm, mm

And when we went to school mm
I was the biggest cool mm
You used to be in tests
Me I didn't care mm, mm, mm

I never thought the day would come
When I was sitting on my own
Thinking long days long gone
Thinking on thinks gone wrong mm, mm, mm

And now your working days are here
I still this poor and didn't care
You go out with your man
I miss I didn't plan mm, mm, mm

I never thought the day would come
When I was sitting on my own
Thinking long days long gone
Thinking on thinks gone wrong mm, mm, mm

The rooms next door are not so bad
May be the chore no longer there
The girl I love is gone
Something I had is gone mm, mm, mm
Mm, mm, mm
Mm, mm, mm.
