better stop pretending  
that this is never ending  
it seems the dream is over  
if not worthy a man did  
livin at a stand still  
pushin rocks uphill  
a mountain full of feathers  
with no natural bull skill

oh my girl please don't give in  
don't listen to your stupid friends  
i hear them goin off again  
So She's Leavin

Plantin dead flowers  
in cold october  
cemetery blackbird  
flyin on over  
where's this gonna take me  
a mountain full of misery  
careless abandon  
all alone and empty

i feel love to take me home  
but she don't wanna live alone  
i'm always out on the road  
so she's leavin

Oh my girl please don't give in

don't listen to your stupid friends  
i hear them goin off again  
so she's leavin

Can't find me from on the road  
could i whisper you a song  
dry your eyes the whole night long  
take your heart before its gone  
well yeah  
oh no no no  
yeah yeah

I feel love to take me home  
but she don't wanna live alone  
I'm always out on the road  
So she's leavin

Oh my girl please don't give in  
don't listen to your stupid friends  
i hear them goin off again  
so she's leavin  
so she's leavin  
so she's leavin  
yeah  
no
