The search of one true heart deep within you
The ocean will part the clearness of blue
Though the pearl eludes me while I'm sinkin still there's
no finer thing
Diamonds do you justice only cause your beauty shines
like a ring

I want you more than everything
I want you more than everything

The four winds on high of virtue they sing
It sharpens my eye determines these things ..
determination
Though the pearl eludes me while I'm sinkin still there's
no finer thing
Diamonds do you justice only cause your beauty shines
like a ring
Fighting through the winter tempest I can hear the sea
sirens sing

I want you more than everything
I want you more than everything
I want you more than everything
I want you more than everything

I feel your heart fades into view

The mist pulls apart and reveals the ...
Pearl eludes me while I'm sinkin still there's no finer
thing
Diamonds do you justice only cause your beauty shines
like a ring
Fighting through the winter tempest I can hear the sea
sirens sing
Now I can find the gold and silver that I prayed
tomorrow would bring

I want you more than everything X5

More than everything X8
Ohhhhhhhhhh

More than everything X3
Ohhhhhhhh

More than everything X2
Ohhh ohhhh
