Woe oh oh
Woe oh oh

Hey there, fancy meeting you here
Next time don't be a stranger
Life on the line in the long run
We all go under

Woe oh oh the world, I know
Woe oh oh it comes and goes
Woe oh oh it turns too slow
Woe oh oh the world, I know

It's done it might get better in the long run
You won't regret it when it's hard won
Just don't sweat it when the end comes
We all go under

Woe oh oh the world, I know
Woe oh oh it comes and goes
Woe oh oh it turns too slow
Woe oh oh the world, I know
The world, I know
The world, I know

Another day passing away
I hope to learn from my mistakes
Everyone must feel the same
Another day under the gun
Racing the clock, chasing the sun
I want to feel it everyone
Follow me it's time to run

Oh oh oh oh oh oh oh oh oh oh oh

Woe oh oh
Woe oh oh
Woe oh oh the world, I know
Woe oh oh it comes and goes
Woe oh oh it turns too slow
Woe oh oh the world, I know

Woe oh oh the world, I know
Woe oh oh the world, I know
Woe oh oh the world, I know
Woe oh oh the world, I know
