You're the girl that
I love best
You're the one that
Hugs my chest
Turns me on when
I feel blue
Doin' things you
Don't normally do
You can cry
You can cry if you want
Say goodbye
Say goodbye if you want
You can cry
You can cry
If you want
You're the one
Yeah
You're the one
You're the one for me
We love the simple
Things in life
A country walk
A summer night
We carved a message
In a tree
I love you and you love me?
You can cry
You can cry if you want
Say goodbye
Say goodbye if you want
You can cry
You can cry if you want
But you're the one
Yeah
You're the one
You're the one for me
Without your love I could cry
Without your love I could die
I love to feel you holding me
Doing things so pleasantly
Kiss me in the special way

At the end of everyday
You can cry
You can cry if you want
Say goodbye
Say goodbye if you want
You can cry
You can cry if you want
But you're the one
Yeah
You're the one
You're the one for me
You're the one for me
You're the one for me
