What's wrong, baby doll?
We can't get along
What's wrong, baby doll?
We can't get along
We'll have fun together
Now baby, tell me what's wrong

Have your mind made up
Before you walk out that door
Have your mind made up
Before you walk out that door
Because one woman, one chance
You don't get back no mo'

(guitar & instrumental)

I've been good to you
As I intend to be
I've been good to you
As I intend to be
Now, it seem like, baby doll
You tryin' to run out on me.
