My name is Memphis Slim, they call me the Grinder
Man

My name is Memphis Slim, they call me the Grinder
Man

If you be my customer, I'll let you have it on a easy
Plan

I do my ramblin' at midnight, and I don't be seen in the
Day

I do my ramblin' at midnight, I don't be seen in the day
While everything is quiet and easy, Mr. Grinder can
have
His way

I got so many customers, it takes me a week to get
around

I got so many customers, it takes me a week to get
around

But you need not be uneasy baby, Mr. Grinder won't let
You down

If you wanna see me baby, you better see me while you
can

You wanna see me baby, you had better see me while
you

Can

Because I'm a very busy fella, you know they call me
the

Grinder Man
