In this situation
In which I have fallen
I can't seem to lose you
You hunt me down, down, down
Everywhere I go to run
You're just a step away, just a step away
And I know that in my heart
Your promises are just a kiss away

Weapons of love
Stop hurting me
Weapons of love
They're killing me

Now I stand accused
Of the crime this time
I've been a fool for you
You tied me down, down, down,
Everywhere I go to hide
You're just a breath away, just a breath away
And I know that in my mind
Antoher heartache is just a kiss away

Weapons of love
Hurting me
Weapons of love
Killing me

Everywhere I go to run
You're just a step away, step away
And I know that in my heart
Your promises are just a kiss away

Weapons of love
They're killing me
Weapons of love
They're killing me

Weapons of love
They're killing
Weapons of love
Weapons of love

Won't somebody help me please
Weapons of love
