"Youve got a thing about you
I just cant live without you
I really want you Elenore near me

Your looks intoxicate me
Even though your folks hate me
Theres no one like you Elenore really

Elenore gee I think youre swell
And you really do me well
Youre my pride and joy etcetera

Elenore can I take the time
To ask you to speak your mind
Tell me that you love me better

I really think youre groovy
Lets go out to a movie
What do you say now Elenore can we?

Theyll turn the lights way down low
Maybe we wont watch the show
I think I love you Elenore love me

Elenore gee I think youre swell
And you really do me well
Youre my pride and joy etcetera

Elenore can I take the time
To ask you to speak your mind
Tell me that you love me better

Elenore gee I think youre swell ah ha
Elenore gee I think youre swell ah ha a a a"
