You little trustmaker, you're no heart-breaker, yes sir
You little trustmaker, you're no heart-breaker,
You little trustmaker

You, you give me love, and all of the things that I will
want forever
Yes you sweep away pain, giving me joy I know will last
forever

You little trustmaker, you're no heart-breaker,
Yes sir
You little trustmaker, you're no heart-breaker,
You little trustmaker

Girl remember, you're my life, dream, my world, you're
all I want forever
And lovin, warm and tender, I am glad, for all that I can
count on

You little trustmaker, you're no heart-breaker, yes sir
You little trustmaker yes sir, you're no heart-breaker,
You little trustmaker

Yes sir, yes sir
You little trustmaker, you're no heart-breaker, yes sir,
yes sir,
You little trustmaker, you're no heart-breaker, yes sir,
yes sir
You little trustmaker, you're no heart-breaker, yes sir,
yes sir
