If you were mine  
I'd take you on a  
Trip around the world  
If you were mine  
I'd buy you diamonds and pearls

If you were mine  
I'd so be so tender  
Sweet and kind  
If you were mine  
I'd make love to you all night  
Only if you were mine

Hey, girl, listen up  
Cause you know it's true  
There's no one more qualified  
For me than you

If you were mine  
You know things would  
Be kinda right  
I don't beg, girl  
But for you, I just might

Get down upon my knees  
And beg and plead  
To make you realize  
It's you that I need

You're the main reason  
I dress to impress  
And hope so maybe one day  
I will end all this lonlieness

You're on my mind  
You're what I think about most  
I dream of nights of us alone  
Girl, I'm holding you close

I will be yours forever  
If you're forever mine  
Girl, it's just a matter of time

If you were mine  
If you were mine  
If you were mine  
If you were mine

You know, if you were my girl  
I would be so true  
I would live just to give  
All my love to you

You've been mistreated  
By all those guys  
Didn't understand  
Or even realize

That a lady needs love  
Tenderness and care  
Someone they can call  
And who will always be there

To pick em up when they're done  
Make em happy when they're blue  
If you were my girl  
That's what I'd do

I'd take you out, do you right  
Buy you things you like  
I'd try not to fuss  
And try not to fight

And if things got bad  
And push come to shove  
I'd still be dedicated  
To the girl that I love

If you were mine  
If you were mine  
If you were mine  
If you were mine

Girl, don't waste my time  
Cause my love is genuine  
I've got to make you mine  
Yo, Marlon, get busy one time

If you were mine  
I'd take you on a  
Trip around the world  
If you were mine  
I'd buy you diamonds and pearls

If you were mine  
I'd so be so tender  
Sweet and kind  
If you were mine, I'd make  
Love to you all the time  
Only if you were mine
