I walk
Like I don't have somewhere to be.
But I know
Of a place where we all can meet.
They say
That I can't keep foolin' myself.
So let's hang out and kick it
Cuz we don't need nobody else.
Uh huh.

Just like we learned it
You turned me on.
Don't need rehearsin'
Cuz it feels so good.

Follow the sound
Don't you know that happiness is calling on you?
Follow the wires
That connect us like a vein to carry through.
Oh I know that believing is the hardest thing to do.
So follow the sound
Cuz you know that happiness is waiting for you.

Sometimes
Well I worry that I think too much.
So I drink
Cuz it eases my pain just enough.
Oh I walk
How I say I will and that's it.
So don't think that I'm slippin'
Cuz I know what I'm all about.

Over and over
You've turned me on.
Just like I told ya
Yeah it feels so good.

Follow the sound
Don't you know that happiness is calling on you?
Follow the wires
That connect us like a vein to carry through.
Oh I know that believing is the hardest thing to do.

So follow the sound
Cuz you know that happiness is waiting for you.
