Every day that you pass my way, I wonder, I wonder
about your life
What is your age, are you connected if so, does she
treat you right
Now please, excuse me for being so forward
Bur I couldn't let this chance go by without lettin' you
know I

Chorus

I wonder, I wonder if you really knew, that I see God in
you
And I wonder if you can see, how much you mean to
me
I know you cannot read my mind, but I hope you feel
my vibe
I think it's time I let you know that, I see the God in you

Every time that I see your face, I wonder, what lies
beneath your smile
What are your dreams, what are your fears, what does
your heart hold dear
I know, that you don't know me at all
But if you know yourself, well then you know me very
well

Chorus

I wonder, I wonder if you really knew, that I see God in
you
And I wonder if you can see, how much you mean to
me
I know you cannot read my mind, but I hope you feel
my vibe
I think it's time I let you know that, I see the God in you

Chorus

I wonder, I wonder if you really knew, that I see God in
you
And I wonder if you can see, how much you mean to
me
I know you cannot read my mind, but I hope you feel
my vibe

I think it's time I let you know that, I see the God in you
