Just for today
I will not worry what tomorrow will bring
No No.
I'm gonna try something new
Gonna walk through this day
Like I've got nothing to prove
Yeah-ee (yeah)
Although (yeah) I have the best intentions (yeah)
Can't predict anyones reaction (yeah)
So I'll just do my best (yeah)
I'll put (yeah) one foot in front of the other (yeah)
Keep on moving forward (yeah)
And let god do the rest (hey)

I don't know what's gonna happen
That's alright with me
I open up my arms and I embrace the mystery
I don't know what's gonna happen
That's alright with me
I open up my arms and I embrace the mystery

Just for today
I'm telling the truth like it's going out of style yeah
Gonna swallow my pride
Be who I am and I don't care who don't like it (yeah)
I feel (yeah)

Feel (yeah) that I'll do it anyway (yeah)
Wont let it stand in the way (yeah)
I know what I must do yeah
There's no (yeah) guarantee that it'll be easy (yeah)
But I know that it'll beat the feeling (yeah)
It's time for me to show and prove (yeah) yeah yeah
It's okay not to know
Exploration is how we grow
It's ok to not have the answer
Cause sometimes
It's the question that matters (yeah, yeah yeah yeah)

I don't know what's gonna happen
That's alright with me

I open up my arms and I embrace the mystery
I don't know what's gonna happen
That's alright with me
I open up my arms and I embrace the mystery.
