Some Life

Song by J. Stasio; Lyrics by: R. Egan

Just one more night
and then I become older.
When I climb
Over that wall.

Falling upwards
It's indescribable lately
Land of honey,
I can't...

Endure another
Act of your white lies.
Why am I always echo
and you with no reply?
---The irreversible high
Let me down
and cut me from the vine.
---How to kill the light?
I'll go blind.

Now it's out
and in the open
you'll find me
Don't deny me
Peace of mind.

Just one balloon and we could set it off
But filled with water and concrete
It can't carry me
So I can't...

Endure another
Act of your white lies
Why am I always echo
and you with no reply?
---The irreversible high
Let me down
and cut me from the vine.
---How to kill the light?

I'll go blind.
