Something like a morning song had woke me.  
Dressed me up so arms of wind could pull me.  
Oh oh oh...

Passing through a crowded place I saw you.  
Dancing as if no one was around you.  
Oh oh oh...  
For me...

We talked until the night and sun collided.  
You cried 'cause you had so much love to give.  
Oh oh oh...  
To me darlin'...

Just try to get around it  
I hate to see what you go through.  
Could you wrap your head around it?  
'Cause there's so much good that you can do.  
For me.

The morning came again with songs to wake me.  
I wondered where a day with you would take me.  
Oh oh oh...

I've never drifted deeper into day sleep.  
I just can't seem to get you out my head.  
Oh oh oh...  
So please darlin'...

Just try to get around it  
I hate to see what you go through.  
Could you wrap your head around it?  
'Cause there's so much good that you can do.  
For me.

I know that sometimes  
You get scared by nothing at all.  
But believe I'm not goin anywhere  
Without you to carry me on.

So never worry  
'Cause it's you that I've waited for

Oh so kiss me  
Won't you kiss me  
'Cause I just can't wait no more.
