Chorus:

I'm going down, I'm going deep deep down
Because of you, you push me to the ground
I'm going down, I'm going deep deep down
Because of you, you push me to the ground

If I asked you now, do you love me?
If I asked you now, do you care for me?
If I asked you now, do you want my love?
If I asked you now, the answer would be no

Never did I feel so lonely
Never did I feel so low
I know you're not the one and only
But you just hurt me so

Chorus

If I need you now would you let me?
Would you tell me how to forget you and me?
If I asked you now would you stay with me?
If I asked you now the answer would be no

Never did I feel so lonely
Never did I feel so low
I know you're not the one and only
But you just hurt me so

Chorus

Baby I know that loving you would never last
I just miss you so but I'm trying to move on
Leave it in the past

Chorus
