

Me And My "Loving You"

Loving you is like rain falling, sun shining, God calling
Loving you is like bird flying, seasons changing, baby
crying
Loving you is like child laughing, clouds moving, hearts
dancing
Loving you is like waves breaking, early morning,
breathtaking

Part of you is what I want to be
Loving you comes so naturally
When I close my eyes you're the light I see
Nothing will ever come between you and me

Loving you is like worlds turning, snow melting, fire
burning
Loving you is like seeds growing, water rushing, wind
blowing

Part of you is what I want to be
Loving you comes so naturally
When I close my eyes you're the light I see
Nothing will ever come between you and me
You are my anchor
You are my guide
You tore down the walls
You build up my pride

Part of you is what I want to be
Loving you comes so naturally
When I close my eyes you're the light I see
Nothing will ever come between you and me

Loving you...
Loving you...
Loving you...
