Once you lose your heart,
Once you lose your heart,
Once somebody takes it,
Once somebody takes it from the place it rested in
before.
From the place it rested in before.
Once you lose your heart,
Once you lose your heart,
Once somebody wakes it then it isn't your heart
anymore.
Once somebody wakes it,
It's gone before you knew it could ever go that way
Then it isn't your heart anymore.
And now you must persue it for ever and a day.
It's gone before you knew
Once you lose your heart,
It could ever go that way,
Once somebody takes it there's one thing certain from
the start,
And now you must pursue it forever and a da-ay.
You'll find forever you've got to follow your heart.

Once you lose your heart,

Once somebody takes it,
There's one thing certain from the start,
You'll find forever,
You've got to follow your heart.

It's gone before you knew
It could ever go that way,
And now you must pursue it forever and a da-ay.

Once you lose your heart,
Once somebody takes it,
There's one thing certain from the start,
You'll find forever,
You've got to follow your heart.

They say a girl should never be without love,
And all the joy that love alone can bring.

All that I have ever learnt about love,
Tells me it's a very funny thing.
For when your heart is fancy free,
You hope some men will choose it,
But on the spin you find you're in,
The very moment that you lose it.
There's one thing certain from the start
You've got to follow,
You've got to follow your heart.
