So you think you're so clever, never in doubt
But I've seen you together fooling about
Don't get me wrong now, I've seen what you are
Mummy wouldn't like it, it's gone too far

Got to keep it in the family
Learn to keep it in the family
Have to keep it in the family
Want to keep it in the family

Playing with each other, it's your favorite game
(Favorite game)
You never try to hide it, there's no shame
(There's no shame)
You'll soon be discovered, what will you do then?
(Oh, oh, oh)
Family entertainment will come to an end
(Oh, oh, oh)

Got to keep it in the family
Learn to keep it in the family
Have to keep it in the family
Want to keep it in the family

Keep it in the family
(Family)
Keep it in the family
(Family)
Keep it in the family
(Family)
Keep it in the family
(Family)
Keep it in the family
(Family)
Keep it in the family
